Featured Events

Dance Competition

Dance competition is one of the most exciting events in the fest. Students can show their creativity, expressions, coordination, and stage confidence.

Music Fest

The music event gives students a platform to perform songs, play instruments, and entertain the audience.

Coding Challenge

The coding challenge is for students who enjoy problem solving and logical thinking. It helps improve programming confidence.

Food Stall Competition

Food stalls bring taste and creativity together. Students can prepare and present different food items.
